## **Required Attachment D: Membership of the Resident Advisory Board or Boards**

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

Bill Billington

Herman Redden

Arlene Reiman

## **Required Attachment D: Comments of the Resident Advisory Board or Boards & Explanation of PHA Response**

Following are the Tenant Advisory Board Minutes and Comments addressing the discussion/resolution of each suggested item.

### **MINUTES TENANT ADVISORY BOARD November 15, 2003**

The Tenant Advisory Board consisting of Arlene Reiman representing 16-2 project and Bill Billington of the 16-1 project met at 2:00 p.m. In the Community Room of the Benkelman Housing Authority. Also attending was Vicki League, Executive Director.

Comment was made that little was found to recommend for suggestions this year. Rear door sidewalk access for units 101-104 recommended by Mr. Redden last year will be addressed with grant funding as a concrete contractor becomes available.

Mrs. Reiman commented she was looking forward to the front stoop railings which will also be completed with grant money.

Mr. Billington revisited the 16-1 storm drainage. The City drainage system seems to back up during heavy rain storms. This apparently occurs in several areas of the City at these times. Consensus is that the City Supervisor be advised of this situation with a request for an inquiry into this ongoing situation.

The meeting adjourned at 3:00 p.m.

## **Required Attachment E: Statement of Progress Against Goals and Objectives established in the Previous 5-**

## **Year Plan for the period FY 1999-2004**

Goal One: Manage the B.H.A. existing public housing program in an efficient and effective manner thereby qualifying as a high performer, if possible, but no lower than a standard performer.

Objective Results:

- Benkelman Housing Authority attained status as high performer 4 out of the last 5 years.
- B.H.A. has completed many improvement projects with the goal of making public housing units more marketable. However, due to declining population according to the census this objective is amended to 90% occupancy by March 31, 2008.
- B.H.A. is successfully promoting a motivating work environment resulting in a capable team of employees who operate as a customer-friendly and fiscally prudent participant in the local affordable housing industry.

Goal Two: Provide a safe and secure environment in the Benkelman Housing Authority's public housing developments.

Objective Results:

- B.H.A. is maintaining the non-crime environment despite changing resident demographics.
  - B.H.A. is maintaining an excellent working relationship with the county Sheriff's department.
- We also strive to house a local law enforcement officer when possible.

Goal Three: Provide enjoyable retirement years for the many elderly residents.

Objective Results:

- B.H.A. puts forth an ongoing effort to provide interesting and well-landscaped areas for all local residents to enjoy.
- B.H.A. is continuing its high level of maintenance in regards to both grounds and units in order to maintain a high degree of comfort for our residents.
